

geleceğin ofislerini tasarlar

Çalışma hayatının gereksinimlerini anlamlandıran **bianos**, yalın işlevsel iddialı ve zamanının ötesinde ürünler tasarlamakta, ilerici ofis çözümleri sunmaktadır.

Bir çalışma alanı için bir çok çözüm üretebilirken, değişen duygu ve alışkanlıklara cevap verebilen, insan odaklı tasarımlara yön vermektedir.

Tasarım ve üretim süreçlerinde, insan kaynakları, ileri teknoloji ve diğer tüm bileşenleri etkin olarak kullanırken, uzun serüveni sonucu birikimlediği metal işçiliği ile kendisine özgü teknikler ve komponentler geliştirmiştir.

Metal malzemenin baş role aday olduğu günümüz ofis tasarım akımlarında **bianos**, güçlü üretim bilgisi ve yenilikçi yaklaşımı ile üst rollerin üstesinden gelebilecektir.

bianos “geleceğin ofislerinde görüşmek için”...

designs future offices

bianos designs vivid, functional and arty products which are ahead of their time and offers innovative solutions for your office to meet the needs of the business life.

While **bianos** provides many solutions for one working space, it also addresses changing feelings and habits and features designs focusing on people.

bianos utilizes human resources, advanced technology and all other components efficiently in the design and production processes. It has also developed unique techniques with the metal workmanship that it has accumulated during its longstanding experience.

The contemporary office design trends where metal material is a top candidate for starring, **bianos** will overcome all challenges with its strong production experience and innovative approach.
